The programming and training offered is geared to benefit kids on a full-time basis for enhanced excellence. However, for those families looking for an alternative, TLK offers a 4, 3, and 2 Day per week options. You may choose any of the above tuition options, and tuition rates will simply be a percentage of the 5 day options. 4 Days Per Week = **90%** of your choice (gold/silver/bronze), 3 Days Per Week = **70%**, and 2 Days Per Week = **50%** of any of the above options. In order to plan space allotments, we ask that the days chosen are the same days of the week on an ongoing basis. While we will do our best to help accommodate permanent day switches, due to capacity limitations we cannot guarantee that possibility.

MONTHLY OPTION

If the semester commitment is not for you, we do offer a monthly option, where 5 days per week = **\$588 for ALL SCHOOLS**

4, 3, & 2 Day Options Follow same % breakdowns as semester plans.

Tuition must be paid by the 1st day of each month of programming. A late fee of 5% will be applied to account if payment is not received by due date. If no payment is received within 7 days you may lose your child(ren)'s space allotment(s) in the program. No Family Discounts on Monthly Options.

OTHER CONSIDERATIONS

- All monthly payment plans for semester options must be done EFT (*Electronic Funds Transfer*) via Debit or Credit Card – If you wish to **NOT** use the EFT payment system then you must select a Gold Plan or the month-to-month option.
- If you join later than the beginning of a semester, tuition will be prorated based upon **weekly** time left in the semester from your start date.
- If you choose 4, 3, or 2 Day Per Week options you must be prepared to select the same days of the week for duration of the semester. Due to high demand we cannot guarantee accommodating switching of days, however we will give it our best efforts depending on daily attendance & enrollment. Please note an administrative fee will apply to switching days per week.
- TLK does not offer refunds/exchanges for holidays, incidental sick or missed days, and we cannot accommodate scheduling make up additional TLK Afterschool or School Camp days. Children are however welcome to attend a “make-up” martial art training class with the late afternoon regular classes if they miss TLK for incidental reasons.
- Because we have to severely limit spaces due to MPLS district restructuring, **TLK does not offer refunds or credits on any tuition program options that have been paid.**
- Overdue payments may be assessed a late fee of 5% per 30 days overdue.

EQUIPMENT FEES

There are a number of items and study aids that can be purchased additionally per your desire throughout the duration of one's training. However, by the end of your first semester with us you should have the full set of sparring armor in order to participate in sparring & sword fighting regularly. You may purchase this as soon as you desire, but the protective armor is necessary for sparring practice, which normally takes place on average twice per week. Due to safety considerations, you cannot spar unless you have the armor, and for those students who do not have armor they will work on drills related to sparring during that portion of the class time.

Full set of Sparring Armor costs \$245 and includes:

Feet, shin, hand, chest, head, face shield, & mouth guards, plus gear bag.

*Boys must also purchase groin cups separately.

Used Gear is sometimes available for half-price, talk to staff for details & availability.

SUMMER CAMPS

Summers are a nice break from the snow and most Minnesotans are soaking it in as much as possible. They also can get long, and trying to find something to do for those 3 months and keep the kids busy is hard. And, for all of those full-time working parents, summer also brings up the problem of care for all the younger children out there that aren't yet old enough to take care of themselves.

In order to fill this gap in the calendar, for the last decade the TLK program at our Academy has provided summer camps that truly deliver an exceptional experience for the kids. We will be continuing the productive lessons and training that is offered throughout the school year, but expand the hours from 9am to 5pm to help you fill the day with quality martial art training and insightful activities. (*We are open early for drop off available at 8:30am and last pickup must be by 5:30pm for working families*). Each week has a unique theme and martial art training focus.

HOLIDAYS & PROGRAM CLOSURES

The Tomorrow's Leading Knights Afterschool Program will be closed for the following Holidays: Memorial Day Weekend, Independence Day Weekend, Labor Day Weekend, and Thanksgiving Weekend, as well as any government holidays during which schools are closed. We will have a Holiday Vacation annually covering 2 weeks starting the week of Christmas through New Year's, and a Spring break that coincides with regular school calendars. Please check our official schedule for all exact dates and details. We also do close when Minneapolis Public Schools are closed or end early due to bad weather.

SPECIAL EVENTS

We do hold a few special events each year, which can be found on our online calendar and details will be announced ahead of time. A couple feature events are our annual spring tournament which is required for all students and we also host a big Holiday Party & all school demonstration in December.
